

**Welcome to Perinatal Simulation Training**  
**March 27, 2019**  
**Funded by: Nebraska Office of Rural Health**  
**Presented by: NPQIC & Sim-NE**

**Faculty:**

Ann Anderson Berry MD  
Sydnie Carraher NNP  
Jackie Liess NNP  
Monty Matthews MD  
Amy TerMatt NNP

**Objectives:**

- \* Demonstrate appropriate resuscitation and stabilization of the critical newborn
- \* Demonstrate appropriate interventions for dystocia
- \* Demonstrate management of precipitous delivery
- \* Describe appropriate management of postpartum hemorrhage

**Agenda:**

<b>9:30 am</b>	<b>Registration and pre-survey</b>
10:00 am	Vaginal Delivery (precipitous)
10:30 am	Shoulder dystocia
11:00 am	Postpartum hemorrhage
<b>11:30 am</b>	<b>Break</b>
11:45 am	Neonatal resuscitation
12:15 pm	Respiratory Distress Syndrome
<b>12:45 pm</b>	<b>Lunch (Attendees will be on their own for lunch)</b>
1:45 pm	Extreme prematurity
2:15 pm	Hypoxic Ischemic Encephalopathy
3:00 pm	Simulation and Skills Experience
	Intubation
	PPV
	T-piece resuscitator
	Bag & mask ventilation
	Intraosseous IV insertion
	UAC/UVC insertion
	NG tube insertion
	Pelvis trainer
<b>5:00 pm</b>	<b>Wrap up and Post Survey</b>
