

The Detection and Management of High Blood Pressure

ONLINE TRAINING PROGRAM

The **right** training... At the **right** time... In the **right** way...

How to Access the training:

Go to: <http://bponline.mcdph.org/>

To register, click the “**READY TO GET STARTED? REGISTER HERE**” button:

**READY TO GET STARTED?
REGISTER HERE**

Nebraska BP Program users will select the coupon code: **Nebraska BP Program**

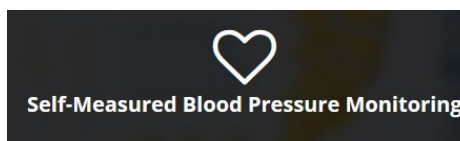

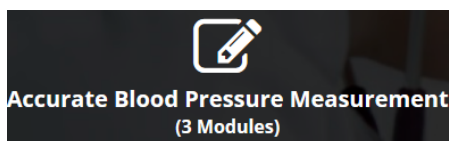

- * Complete the registration form
- * Nebraska users enter the site code: **NEBP**

After completing the registration form, a confirmation email with your username, password, and a link to the training login page will be emailed to you.

**RETURNING USERS
LOG IN HERE**

- * To access the modules, click on:

Type in your username and password. Complete modules in any order.

Getting the Certificate of Completion:

Accurate Blood Pressure Measurement (3 Modules):

After completing each module, a “Completed” stamp will appear over the module. Once all 3 of the modules are completed, a red “Get My Certificate” button will appear above the modules. Click the button to go through APHA’s evaluation steps to receive your certificate.

Self-Measure Blood Pressure Monitoring:

Download the certificate of completion once you have finished. Continuing Education credits for this program are pending approval. Once approved, we will contact you to complete an evaluation to receive your CE’s for this completed program.
