WELCOME!

Welcome to La Vista and the 70th Annual Meeting & Scientific Assembly!

Thank you for helping us celebrate our 70th Anniversary. We have come so far in the last 70 years and each of you has helped create a rich NAFP history. I am confident you will enjoy everything this meeting has to offer: excellent CME, convenient amenities provided by the hotel, and time you will have to spend with colleagues and friends. The Academy is committed to being fiscally and environmentally responsible so all meeting documents are available on the NAFP secured website page and on flash drives you may purchase for \$25.00.

Dr. Steve Williams and the Scientific Affairs Committee has worked hard to provide topics important to you and your practice. Make sure you take advantage of this opportunity to obtain quality CME while enjoying time away with your family, colleagues and friends. The Academy mission statement is to promote, support and serve our members as they strive to improve the health of all Nebraskans. During this meeting, we hope to do that and more!

Again this year, we will be hosting the Resident Jeopardy competition on Thursday evening. Don't forget to purchase your tickets for the meal before the event. The five residency programs will be competing again for the traveling trophy. On Friday evening, enjoy the Foundation's Wine Pull and Auction event. The money raised will be used for Resident and Medical Student Scholarships! Our annual banquet will follow with AAFP Representative, Dr. John Meigs, installing our officers for the 2018-2019 year. Dr. Meigs served as AAFP President in 2016-2017 and currently serves as the AAFP Board Chair. We are honored to have him join us to install our officers.

Immediately following the Auction, help us congratulate our anniversary members as well as our new officers on their installation, including Aaron Lanik, MD, Omaha, as President.

New this year: This year, we are revamping our Silent Auction to allow you more time to bid. All of the items will be available for bidding throughout the exhibit hall from 9:00 am to 6:00 pm on Thursday and 9:00 am to 11:45 pm on Friday. The five highest valued items will then be displayed at the Silent Auction on Friday night to continue the bidding wars. Along with the silent auction of the five items, we will continue with our Live Auction as in previous years. In addition to Friday night's auctions, we have added a Wine Pull this year. The Wine Pull will allow attendees to purchase \$25 tickets to take a chance at pulling a top quality bottle of wine or one of two iPads donated by Nebraska Medicine. All proceeds will go towards Medical Student and Resident Scholarships.

Another change to our program is that all scholarships will be awarded at the Saturday DeRoin Memorial Luncheon on March 24, 2018 at 12:00 pm.

We encourage you to complete your meeting evaluations before you leave; your feedback is helpful and essential in planning future meetings.

Thank you for attending and supporting the Academy! Enjoy the conference!

This Live activity, 70th Annual Meeting & Scientific Assembly, with a beginning date of 03/22/2018, has been reviewed and is acceptable for up to 20.25 Prescribed Credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This task is easily accomplished by completing the CME Reporting Form included in your registration packet and turning it in at the time you leave the meeting. Following this CME activity, participants will have the opportunity to earn an additional two Prescribed credits for participation in each Translation to Practice® exercise. Information on Translation to Practice® will be shared within the activity.

Community is Our Middle Name

Columbus Community Hospital fosters a culture – built on commitment, compassion and care – that exceeds expectations for our patients. It's a privilege to be making a healthy difference in Columbus, and our dedication shows in all we do.

We are a community-owned, not-for-profit hospital, and our leaders, physicians, nurses and staff nurture this sense of community in every decision and interaction . . . every day. By delivering far-reaching care, advanced technologies and treatments, and expertise that keep our patients close to home, we embrace the shared values and enhance the lives of those we are proud to call friends and neighbors.

“That’s why we’re inspired every day by our CCH family.”
